San Anselmo Town Council
525 San Anselmo Ave.
San Anselmo, CA 94960

Dear Council Members,

I would like to commend the Police Dept. and the paramedics at San Anselmo Fire Station.

During the Country Fair Days festivities I had a medical emergency, and their response was outstanding in every way. In spite of the crowded avenue, they arrived immediately, performed diagnostic tests, inserted an IV, and contacted the ER. Meanwhile, a kind policewoman calmed bystanders and cleared space. Not only were they highly skilled and entirely professional, but above all they were so kind and thoughtful. Together they represented a community at its best.

I wish I had been fully conscious and able to thank them properly. Now, more than a week later, I can piece together the blurred impressions and realize just how much they did. At the hospital, they stayed right with me until the ER staff took over.

San Anselmo can be very proud of these fine people; we are in excellent hands with this outstanding team. We all hope we will never need their services, but if an emergency occurs, we could not hope for better care. Our community is very fortunate to have such dedicated and caring professionals.

Sincerely,

Donna Monahan

To Isaac Wilson
and the fire fighters
of RD Station 19 -

Thank you so
much for putting
out the fire that
started in our
compact heap on
Saturday, Oct. 13 and
moved to wildland
meadow east.

Your quick
response prevented
serious damage that
could have spread to
the remaining hills
and could have cost us
our home and those
of many others.
I am so grateful to
have wonderful neighbors
who called it in and a
dedicated team of professional
savvy fire fighters that
we thank again.

A shift

I wanted to thank you
for your fine job
caring for my Dad.
We realize you were
all doing a great job,
even though my Dad
Rex Thompson didn't want
to go to the hospital. Tori
