A note of deep gratitude
to the wonderful emergency
responders to a phone
call at 324 S.F Blvd.

I was on the floor with
tremendous abdominal
pain, and my son was in
shock at the sight.

You guys were great!!!

I remember someone
closing the doors of the
ambulance + saying
"Have a good one, Liz!"

I + was so normal it
cheered me up!

Turns out I had a cyst
the size of a grapefruit
explode ~ the surgery was
good + I'm on the mend.

Thanks again so much from
324!!! - Liz Huntington
