Chief Mark Mills,

The Board of Directors of the South Lake County Fire Protection District humbly thanks your department for responding to the Valley Fire. About 200 fire departments helped to contain the fire that is now known to be the third worst fire in California, destroying more than 1,100 homes and consuming about one third of the Fire District.

The outpouring of donations has been overwhelming. This generosity will aid in helping our community as we rebuild.

We again thank you for your courageous efforts and offer the enclosed certificate as a token of our appreciation.

Respectfully,

SOUTH LAKE COUNTY FIRE PROTECTION DISTRICT
