#### ROSS VALLEY FIRE DEPARTMENT

Minutes of the Ross Valley Fire Board Special Meeting of June 9, 2021

1. 6:30 pm Call to order. Announce action in closed session, if any.

Board Present: Hellman, Kuhl, Greene, Shortall, Finn, Goddard, Burdo, Brekhus

**Board absent:** 

**Staff present:** Yeager

Town Managers Present: Toy, Chinn, Donery.

**Agenda – June 9, 2021** 

2. Open time for Public Expression: The public is welcome to address the Board at this time on matters not on the agenda. Please be advised that pursuant to Government Code Section 54954.2, the Board is not permitted to take action on any matter not on the agenda unless it determines that an emergency exists and that the need to take action arose following the posting of the agenda.

Cascade Canyon resident Max Edwards asked about the Wildland Urban Interface (WUI) zoning. He would like RVFD to support or recommend a change on WUI zoning so that all construction complies with the requirements. If RVFD can change it, how would it be implemented, how are the zoning designations made, and how can this item be put on the agenda?

Dir. Greene clarified that any items not on the agenda cannot be discussed during this meeting but can certainly be agendized for a future meeting. He also added that each respective Town council makes zoning designations. Greene suggested that Mr. Edwards reaches out to Garrett Toy, Fairfax Town Manager, later. Regarding adding items to the agenda, Greene mentioned that Mr. Edwards would have to reach out to Fairfax councilmembers Goddard and Hellman, and they can request it to be agendized as a future item.

Dir. Goddard asked Mr. Edwards to reach out to her or Dir. Hellman via email, as they are happy to help answer his questions without them having to be agendized.

3. Board requests for future agenda items, questions, and comments to Staff, staff miscellaneous items.

Dir. Kuhl joined the meeting at 6:34 pm. Dir. Brekhus asked if RVFD participates in the zero-waste program where fire departments collect batteries for recycling. Deputy Director Yeager responded that we have a battery recycling bin out in the lobby area at Station 19.

Dir. Hellman asked for an update on the inspection schedule. Yeager responded that he does not know the status, but the inspectors are working on it. Still, he will find out when the finalized

report will be sent out to the communities, which should be ready soon since the defensible space academy ended about two weeks ago.

## 4. Chief Report – Verbal Update by Deputy Director Fire Yeager

MWP Local Project: Yeager started by giving a brief description of the three primary revenue funds provided by the MWPA board. For instance, 60% goes to core projects, 20% to each entity for local projects, and 20% to defensible space. For this report, Yeager is covering local projects. First, the MWPA approved the submitted 2021-22 work plan, focusing continuously on evacuation routes and home hardening. Next, Yeager mentioned that Chief Weber and the fire service with each council individually on local projects and grant opportunities.

Dir. Greene asked if there is a local projects inventory list. Yeager responded that the approved work plan is a public document published online at the MWPA's last board meeting. Dir. Burdo provided their site— www.marinwildfire.org

**SAFER Grant:** Yeager reported that we had not received any new information from FEMA about the grant yet, and unfortunately, there is no timeline. Typically, the results go out in two separate groups; even if we do not get selected in the first group, it does not mean we won't get selected in the second group.

<u>CALFire Grants (Fairfax & San Anselmo):</u> Yeager reported that the Department submitted two grant applications with CALFire for the Fairfax area for roads leading into and around Camp Tamrancho. The second is in the San Anselmo and Ross area for fuel reduction work in Laurel Canyon and Bald Mountain. As a reference, with CALFire grants, the rule is that the areas have to be adjacent to State Responsibility Area (SRA) land, and it will be a couple of months to get notified if we got the grants. Yeager also explained that the Town of Fairfax and San Anselmo are considered Local Responsibility Area (LRA), Point Reyes is deemed to be Federal Responsibility Area (FRA).

Yeager also thanked Helen Yu-Scott, San Anselmo/RVFD Finance & Administrative Services Director, for all the support and efficiency throughout the years. Helen has been a fantastic partner and has brought all her expertise to the Town and Department.

San Anselmo Town Manager Dave Donery added that he and Helen have been working on an interim solution, and we have a great person to lead us while a permanent position is filled.

Dir. Greene added that Helen would be greatly missed. She is a talented, diligent, detailed, and effective Finance Director.

Dir. Goddard asked for an update on the hiring process for the Emergency Preparedness Coordinator position. Yeager responded that the candidate submitted his paperwork. Admin Asst. Mariana Gonzalez added that the candidate was going through background, and everything should be finalized within the next couple of weeks. Yeager said that the candidate should in onboarded by the next board meeting.

Helen Yu-Scott thanked everyone for the opportunity and trust; it was a pleasure working with everyone. Helen will cherish their kindness, leadership, and friendship.

5. Consent Agenda: Items on the consent agenda may be removed and discussed separately. Discussion may take place at the end of the agenda. Otherwise, all items may be approved with one action.

M/S Brekhus/Goddard – roll call vote, all ayes

## **6.** Approve Adopted Budget for FY2021-22

Yeager mentioned that this upcoming budget, the Department will have some savings since the MERA budget decreased by \$15k; and other than that, the budget is the same presented to the Board in May.

M/S Brekhus/Finn – roll call vote, all ayes

## 7. Receive Town of Ross/Civic Center Facility Verbal Update

Yeager mentioned that since Chief Weber was not present, he only had a brief financial update regarding Ross and station 18. The update is for the financial data requested at the last Board meeting. Yeager went over preliminary numbers that are reasonable estimates. Further, Yeager provided the cost for the four scenarios selected at the previous Board meeting. For instance, option one will have an estimated one-time cost of \$1M and no savings/cost; option two will cost \$420k and have \$300k in savings/cost; option three will cost \$420k and have \$550k in savings/cost; option four will cost \$600k and have \$300k in savings. Please note that the above estimations are assumptions and have not been negotiated with Labor.

Dir. Hellman asked if we keep the engine with option one and what happens with it in the other three options. Yeager responded that at this time, it is undetermined, but the engine could go into reserve or get surplus, and the asset may belong to Ross.

Dir. Shortall asked about the apparatus savings if one engine was dropped. Yeager estimates about \$60k yearly contributed to the apparatus fund. Additionally, Yeager added that the estimated savings are mostly staffing-related to rank changes subject to Labor negotiations and facility construction charges.

Dir. Finn mentioned that JPA Agreement section 24.5b states that the fire engine is the Town of Ross property. Therefore, any proceeds from the sale, transfer, or exchange of assets at Sta18 would go to Ross.

Dir. Burdo requested clarification regarding Yeager's estimates document and why Staff thinks it cannot be publicly shared. Burdo added that if the hesitancy was only based on the Brown Act and labor negotiations. Yeager responded that he could share the file as long as everyone understands that the numbers presented are estimates and that new numbers will be presented as they become available.

San Anselmo Town Manager Dave Donery recognized Fairfax Town Manager and RVFD Executive Officer Garrett Toy, a great leader among the managers. Donery would like to thank Toy for his service.

Ross Town Manager Joe Chinn also recognized Garret Toy and Helen Yu-Scott; they have both been fantastic in their roles and will be missed, but happy for both in their future endeavors.

Dir. Brekhus agreed with Chin and Donery and added that working with Garret and Helen was a pleasure and wished them the best of luck. Dir. Goddard agreed with Brekhus and thanked them for their efficiency and service.

## ROSS VALLEY FIRE DEPARTMENT STAFF REPORT

For the meeting of August 11, 2021

To: Board of Directors

From: Jason Weber, Fire Chief

Subject: Receive Executive Order N-08-21 establishing October 1, 2021, as a set date to

transition back to public meetings for full compliance with the Brown Act.

#### **RECOMMENDATION:**

Staff recommends that the Board receives Executive Order N-08-21 establishing October 1, 2021, as a set date to transition back to public meetings for full compliance with the Brown Act.

#### **DISCUSSION:**

On March 12, 2020, as part of the state's initial response to the coronavirus pandemic, Governor Newsom issued Executive Order N-25-20, which authorized local legislative bodies to hold public meetings via teleconference and waived some of the legal requirements for teleconference meetings under the Brown Act. However, that executive order was amended by EO-N-29-20, which clarified that all requirements in both the Bagley-Keene Act and the Brown Act required the physical presence of members or other personnel condition of participation, or in the quorum for a public meeting were waived.

On June 11, 2021, Governor Gavin Newsom issued Executive Order N-08-21, which among other things, rescinds his prior Executive Order N-29-20 and sets a date of October 1, 2021, for public agencies to transition back to public meetings held in full compliance with the Brown Act

## **EXECUTIVE ORDER N-08-21**

WHEREAS on March 4, 2020, I proclaimed a State of Emergency to exist in California as a result of the threat of COVID-19; and

**WHEREAS** since March 2020, the State has taken decisive and meaningful actions to reduce the spread, and mitigate the impacts, of COVID-19, saving an untold number of lives; and

**WHEREAS** as a result of the effective actions Californians have taken, as well as the successful and ongoing distribution of COVID-19 vaccines, California is turning a corner in its fight against COVID-19; and

WHEREAS on June 11, 2021, I issued Executive Order N-07-21, which formally rescinded the Stay-at-Home Order (Executive Order N-33-20, issued on March 19, 2020), as well as the framework for a gradual, risk-based reopening of the economy (Executive Order N-60-20, issued on May 4, 2020); and

WHEREAS in light of the current state of the COVID-19 pandemic in California, it is appropriate to roll back certain provisions of my COVID-19-related Executive Orders; and

WHEREAS certain provisions of my COVID-19 related Executive Orders currently remain necessary to continue to help California respond to, recover from, and mitigate the impacts of the COVID-19 pandemic, including California's ongoing vaccination programs, and the termination of certain provisions of my COVID-19 related Executive Orders during this stage of the emergency would compound the effects of the emergency and impede the State's recovery by disrupting important governmental and social functions; and

WHEREAS under the provisions of Government Code section 8571, I find that strict compliance with various statutes and regulations specified in this Order would continue to prevent, hinder, or delay appropriate actions to prevent and mitigate the effects of the COVID-19 pandemic.

## ROSS VALLEY FIRE DEPARTMENT STAFF REPORT

For the meeting of August 11, 2021

To: Ross Valley Fire Department Board of Directors

From: Scott D. Alber, Battalion Chief/Fire Marshal

Subject: Receive Fire Prevention Report on Ross Valley Fire Department's Wildland Urban

Interface (WUI) Zone.

#### **RECOMMENDATION:**

Staff recommends that the Board receives the Fire Prevention Report on Ross Valley Fire Department's Wildland Urban Interface (WUI) Zone.

#### **DISCUSSION / BACKGROUND:**

The Wildland Urban Interface (WUI) are areas that contain structures with a structure density of at least 1 structure per 40-acres (The Federal definition), or 1 structure per 20-acres (Cal Fire/FRAP's definition) adjacent to wildland areas. In the late 1990s, Marin County Fire Department (MCFD), as part of their Unit Fire Plan (submitted to Cal Fire annually as part of the California Board of Forestry and Fire Protection Fire Plan) designated and mapped portions of the County as within the Wildland Urban Interface (WUI). In MCFD's mapping of these areas a structure density of 1 structure per 20-acres to approximately 0.25-acres was used. An ember broadcast zone of approximately 500-meters was also incorporated.

Subsequent to the 2003 Southern California Fire Siege, a "Blue-Ribbon" Commission was formed to formulate recommendations aimed at mitigating, if not preventing a repeat of the devastation that resulted from these disastrous fires. Among the Commission's recommendations were that Cal Fire develop a map of the state delineating levels of potential fire risk; i.e., "Fire Hazard Severity Zones" (FHSZ). The resulting maps would then be used to determine where new building code requirements for ignition resistant construction would apply. These maps were published and adopted in 2007.

The 2010 code adoption cycle included the addition of Chapter 7A to the California Building Code (CBC). CBC Chapter 7A requires ignition resistant construction (to new construction, only) in *any* FHSZ (Moderate, High, and Very-High) if the home is to be built in State Responsibility Area (SRA; most of unincorporated Marin is SRA). However, for the Local Responsibility Area (LRA, which includes incorporated towns and cities), the Chapter 7A requirements apply *only* in Very-High FHSZs and in "locally designated" WUI areas.

Moreover, note that FHSZs and the WUI are not the same. As previously mentioned, the WUI areas are solely based on a structure density range (and ember broadcast) in communities adjacent to wildland areas. On the other hand, the FHSZs designations (Very-High, High, Moderate, Urban/Non-FHSZ) are based on several factors, including slope, aspect, frequency of critical fire weather (Red Flag Days), fire history, and fuel models/vegetation.

In the wake of (and in the case of Novato Fire District and MCFD, prior to) the addition of Chapter 7A to the CBC, many fire jurisdictions adopted the WUI map promulgated by MCFD to apply Chapter 7A to new construction in their respective WUI areas. Some fire jurisdictions have, based on local knowledge, modified the WUI zones in their jurisdictions. As of this writing, most if not all fire jurisdictions, including RVFD, have adopted a WUI ordinance (or integrated the provisions of a WUI ordinance in their Fire Codes), which incorporates the Chapter 7A provisions previously discussed, as well as enhanced requirements for fire access, vegetation management/defensible space, and fire suppression water supplies.

These WUI ordinances also require that the standards also apply to substantially remodeled homes, in addition to new construction. Furthermore, ignition resistance construction standards also apply to modifications/alterations and remodels of exterior elements of structures in the WUI.

## **NEXT STEPS:**

As previously mentioned, the towns and Sleepy Hollow have adopted WUI Zones. However, they do not match the WUI Zone published on Marin Map. We recommend that the modifications to MCFD WUI map be made to the Marin Map WUI layer such that they are consistent.

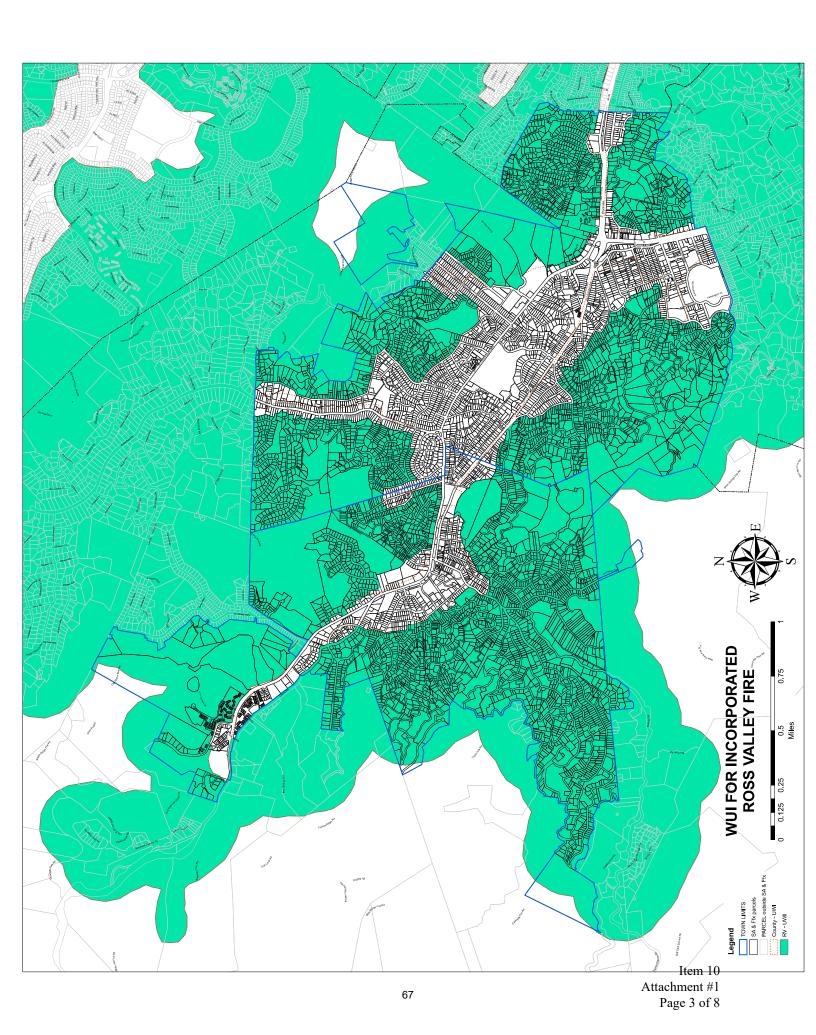

During the next code adoption cycle (2022), consideration should be made to adjusting the WUI Zone. Currently, most of each town is in a designated WUI Zone, with the exception of the downtown areas. These areas were intentionally left out of the WUI because of the structure density of these areas. While some adjustments to the map may be warranted to areas outside the downtowns, we recommend that the downtowns remain outside the WUI areas.

Chief Weber,

On June 21, 2021, members of the Ross Valley Fire Department assisted in the control, containment, extinguishment and support of a two-alarm structure fire in a multi-family dwelling located at 2 Barn Road in Belvedere.

Crews, led by Battalion Chief Colin Jackson, mounted an aggressive, safety-conscious fire attack on a stubborn fire in challenging conditions that, ultimately, limited the spread and salvaged many of the personal belongings of the three displaced families.

The seamless response was efficient, effective and impressive, further illustrating our collective training and professionalism as well as our interdependence on scene at these types of incidents.

Please extend Tiburon Fire Protection District's sincere appreciation and gratitude to your personnel and your Board/Council members.

Sincerely,

Richard S. Pearce

Fire Chief

Subject: An Expression of Thanks & Gratitude

To: <gillingworth@rossvalleyfire.org>

Hi Gavin,

I got your contact information from our mutual good friend, Grant Welling, so that I might personally express my deep gratitude

to you, and your literally life saving team over at RVF. I know full well that there are many turns of good fortune that came to play

out in order for me to still be alive this morning, and the first one was having the good sense to marry an amazing woman who also happened to be an EMT among the many other items on her lengthy resume which screamed out "you're crazy if you don't marry this woman." Well, I'd also be a fading memory right now were it not for your team of highly trained and compassionate Pro's.

Mary has recounted the events of that evening many times, and how completely great everyone was from the 911 call onward.

Grant has already prepared me to receive your most humble Lone Rangeresque heroic response to this of, "it's what we're trained and paid to do, and no need," but my wife and I would be thrilled if you would allow us express our "undying" thanks and gratitude to you guys in some meager way. Grant thought that you would be the best to confer on this with....we where thinking of sending over anything from a dinner for the shift from a restaurant of your choosing? Pizza's/Lasagana etc.? A gift card from the market where your guys like to shop for the station? Any suggestions much appreciated.

Note that we are committed believers in the notion that giving and receiving are one in the same.

Thank you thank you to you all for your work, and your commitment and service to a grateful community and two of it's inhabitants.

Best regards, Mark Goldberg & Mary Vidal There are those rare moments where the words "thenk you" are completely inadequote in expressing the enounty of gratitude and appreciation that is appropriate for the occasion.

Nonethelars, Thenk you for your professionalism and theil and decetion to your callings. Then you for setting me there and bringing me time. Must I have I will

Thank you to the Fairfax, Ca emergency responders who came to my home on 7/21 for my partner that had just had surgery and fainted and had to go back to the hospital to be checked out. Your courteous and professional response was much appreciated. I was so relieved with your fast response. Thank you!
