Subject: Bruce Vogen - Kudos on the new website

To: <[info@marinwildfire.org](mailto:info@marinwildfire.org)>

Your new website is complete, coherent, and easy to navigate. It's a true one-stop-shop for residents, regardless of their level of interest, and a reflection of the significant progress made by the agency over the last year. The fact you came to my house and presented me with a homeowner's assessment that I can find online on your website says it all.

Also, many thanks for sending in crews to clean up our street – Jordan Avenue, San Anselmo. They cleared tree and shrub overhang that has been a nuisance and fire/traffic hazard for over 20-years. The staff were courteous and cleaned up as they went. I was proud to see the Measure C road signs announcing their efforts.

Keep up the great work.
