Chief Jason Weber,

On December 12, 2021, members of the Ross Valley Fire Department assisted in the control, containment, and extinguishment of a two-alarm structure fire in a single-family dwelling located at 157 South Ridgewood Road in the Kent Woodlands.

Crews, led by Battalion Chief Dan Reese, mounted an aggressive, safety-conscious fire attack on a stubborn fire in challenging conditions. The terrain, among other factors, complicated the suppression efforts and resulted in the need to call additional resources. Ultimately, crews limited the spread and quickly salvaged most of the family's personal belongings.

The seamless response was efficient, effective, and impressive, further illustrating our collective training and professionalism as well as our interdependence on scene at these types of incidents.

Please extend Kentfield Fire Protection District's sincere appreciation and gratitude to your personnel and your Board/Council members.

Sincerely,

Mark Pomi
Fire Chief
