

Hi Dani, Todd, Jesse,  
Isaac  
Love you guys!

Dear Ross Valley Crew,

It's days like today that make me reflect and want to show my gratitude for your service in our community. I know that serving in emergencies in a community that you live can be hard, but I know that I feel safer knowing you are all here for us.

As a former student at Drake and mother of a student now I know you all have ~~had~~ had experiences and I just wanted to say Thank you! Amy + Sofie Faircloth
