Dear Chiefs,

While the Sheriff's Office is committed to its relationships with county and local fire agencies, the provision of dispatching services is no longer feasible. Accordingly, by way of this correspondence, the Sheriff's Office is providing notice that it intends to terminate its respective agreements with each of you for provision of such services.

The specific agreements be terminated, each of which were executed between the County of Marin and your respective agencies, are as follows:

1. Professional Services Agreement regarding the delivery of mobile data computer maintenance services [date signed: 2021]; and
2. Professional Services Agreement regarding the provision of fire communications services [date signed: 2020 and 2021].

The effective date of termination is JUNE 30, 2023. On that date, the Sheriff's Office will immediately cease rendering the services required by the above agreements.

Under Section IV of the agreement on mobile data and computer maintenance services, and Section IX of the communication services agreement, the minimum notice to terminate is 180 days. The additional notice provided by this letter should allow ample time to secure an alternative provider for such vital services. As I mentioned in our August 22, 2022, meeting, I look forward to a partnership allowing your agencies to achieve a dispatch center managed and operated by fire agencies.

If you would like to discuss this matter or have questions regarding the foregoing, please do not hesitate to contact me directly.

Sincerely,

Sheriff Jamie Scardina

Marin County Sheriff's Office
